## INSPIRED BY TRAVELS READY TO BRING HOME

ALREADY CHECKED IN

Lexington Hotel Collection is a bedding series inspired by our many hotel experiences. We've scoured many hotels for the best bedding qualities before finding the feeling we have been looking for and could offer it to customers who want to recreate the same experience

in their own beds. The collection consists of unique, crispy percale; a paisley-patterned jacquard sateen with extra sheen, a woven stripe in Tencel™ that breathes and last, but not least, a soft, light flannel that's cozy. So stay at home – you are already checked in.

## MIX AND MATCH

### LEXINGTON HOTEL PERCALE

Percalé is a closely woven plain-weave fabric. The fabric has a high thread-count and is tighter than the standard type of weave used for bedsheets. It has medium weight, is firm and smooth with no gloss, and warps and washes very well. Our Lexington Hotel Percalé is made to give you the silkiest most luxurious and coolest feeling.

### LEXINGTON HOTEL LIGHT FLANNEL CHECK

At Lexington we are well-known for our high quality super soft flannel. Now, we're taking our flannel to newer heights by introducing a new Light Flannel for our Hotel Collection. It's the same quality, but with thinner yarns than our classic flannel. This gives the Light Flannel a cooler feeling while

maintaining the same softness and coziness as any other Lexington flannel. It is a confection designed with a classic Lexington check and has our signature rubber buttons.

### LEXINGTON HOTEL TENCEL™ STRIPE

Tencel™ is a fiber that has a soft feeling similar to sateen and is strong and durable. The fiber is of botanic origin extracted from wood pulp, and it's ecofriendly. Textiles of Tencel™ fibers are more absorbent than cotton, softer than silk and cooler than linen. Our Lexington Hotel Tencel Stripe is a classic confection with our signature rubber buttons.

### HOTEL SATEEN JACQUARD

Jacquard is a fabric with an intricate pattern woven on a special loom. Our

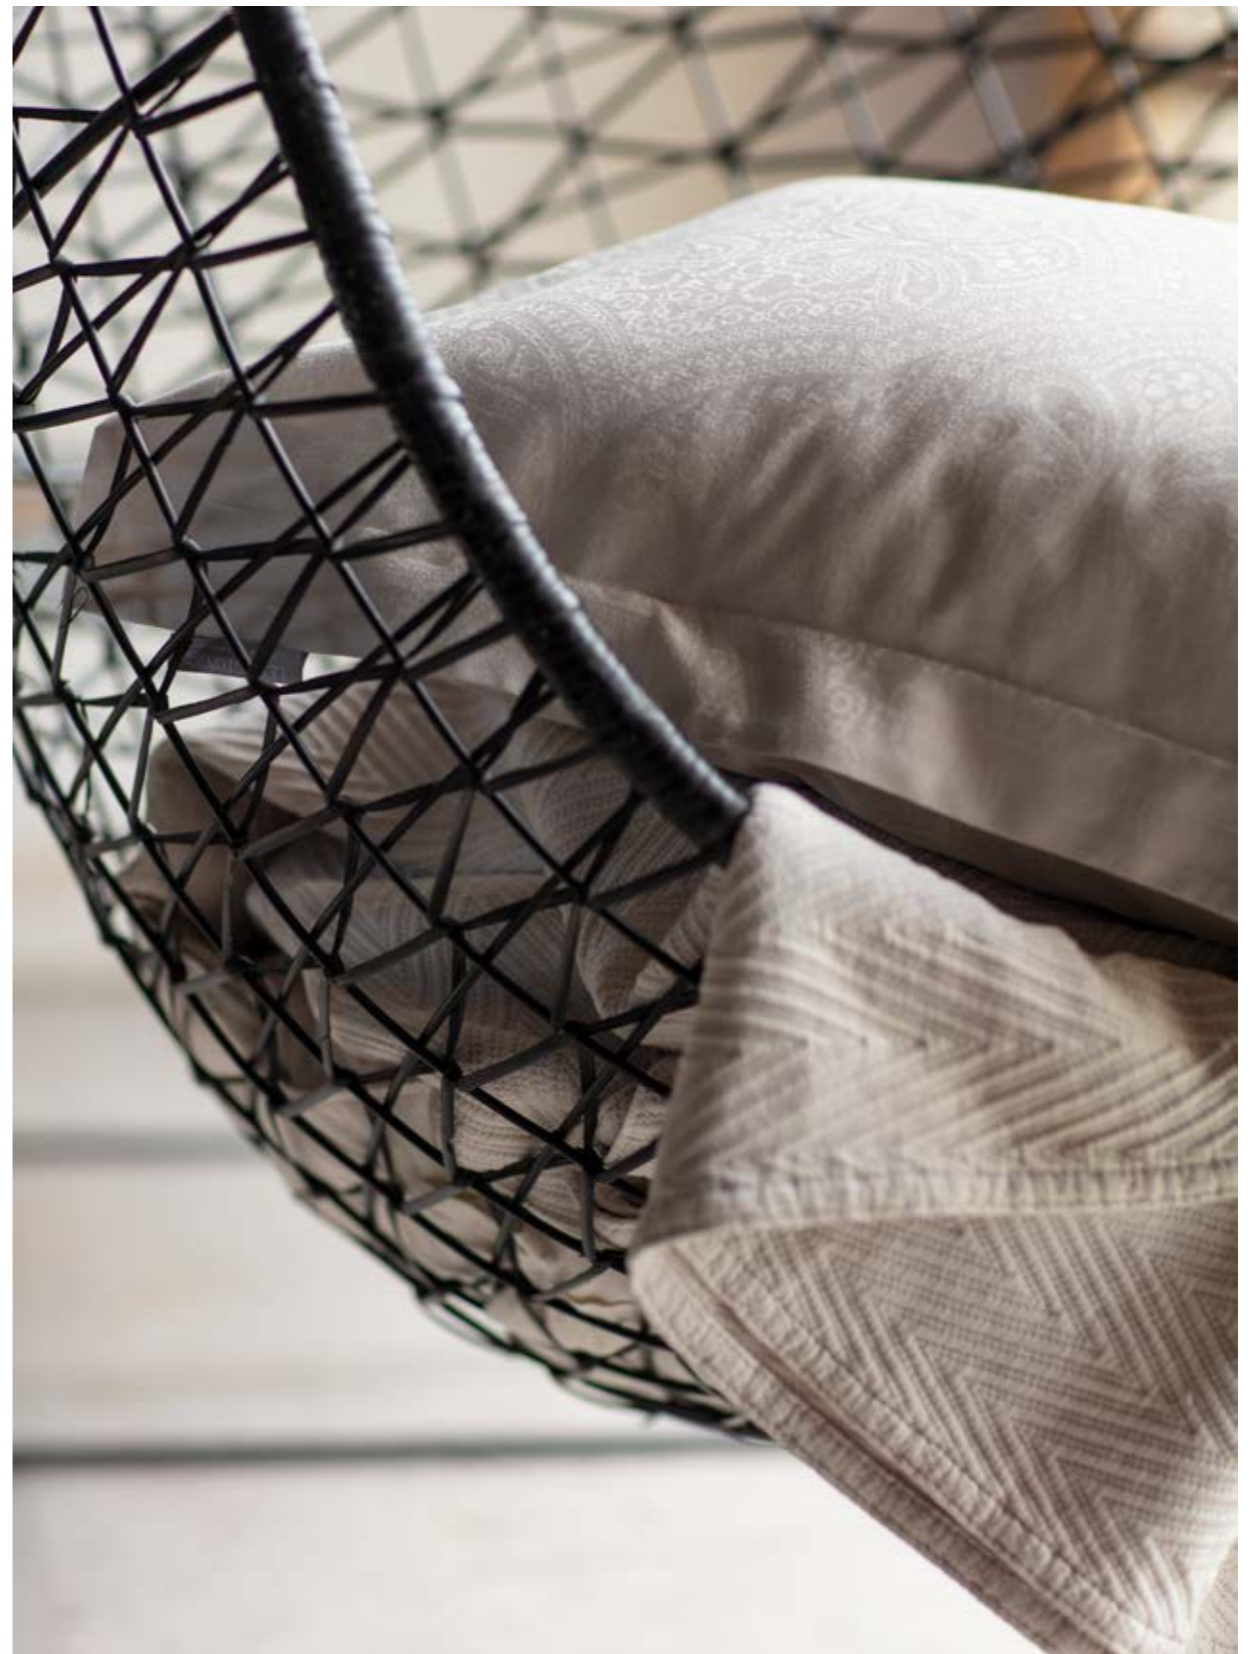

Lexington Hotel Sateen Jacquard has the intricate pattern on a sateen surface which adds to its luxurious softness and sheen. As a bonus for the detail-oriented, puzzle-loving owner, the word Lexington is subtly woven into the pattern.

THE COLLECTION CONSISTS OF UNIQUE, CRISPY PERCALE; A PAISLEY-PATTERNED JACQUARD SATEEN WITH EXTRA SHEEN, A WOVEN STRIPE IN TENCEL™ THAT BREATHES AND LAST, BUT NOT LEAST, A SOFT, LIGHT FLANNEL THAT'S COZY.

ESSENTIALS FOR YOUR  
NEXT TRAVEL-FREE BREAK

HERE ARE A FEW REASONS WHY YOU SHOULD DITCH THE HOTEL  
AND OPT FOR A VACAY AT HOME:

**CHECK OUT,  
BUT DON'T CHECK IN**

You'll avoid the long line of tired vacationers because you're already checked in and ready for your staycation to start as soon as you clock out of work.

**SPEND TIME IN YOUR FAVORITE  
PLACE ON EARTH — YOUR BED**

The best part of a staycation is sleeping in your own, comfortable bed. Don't forget to make the bed with new bedding to get the luxurious hotel feeling at home.

**EAT AT YOUR FAVORITE  
PLACE ON EARTH**

You'll have what you enjoy in your favorite place on this planet. A delicious fruit salad you've prepared the day before, and a cup of coffee brewed the way only you know how to — that's heavenly.

**TAKE A LONG SHOWER**

Take your time because you've got a

surplus of it when there's no plane to catch or a check-out time. After a warm shower with your favorite soap, dry off with the softest, most lush towel and get in a cozy robe. You'll feel like you just spent the whole day at a spa.

**DIVE INTO THE WORLD  
OF FICTION**

Because you're skipping all the sightseeing, you'll have time to catch up on some of the reading you've been putting off. Wrap yourself in a cozy blanket on your couch and get comfortable because comfort is king on vacation. Keep extra blankets within reach since you may have company on the couch.

**VIBE TO THE TUNES  
YOUR HEART DESIRES**

Create staycation playlists that make you happy — a relaxing playlist for a lazy day on the couch and an upbeat one for when you're dancing around the kitchen as you prepare a quick bite. Plan these playlists before your

staycation so you don't waste your precious vacation time on making them.

**UNWIND TO THE FRAGRANT  
OF YOUR CHOICE**

Scented candles are always a good idea. Burn your favorite candle or try a new one to help you relax.

**WATCH A GOOD SHOW  
OR A FEW MOVIES**

A staycation is an opportune time for spending quality hours with your favorite character on your favorite show. You could also spend it watching movies your colleagues have been raving about all spring.

**MASTER THE ART  
OF DOING NOTHING**

This is probably the most important skill you need to master for a successful staycation. Forget the washing machine, the cluttered closet and all your to-dos. Just do what you want to do and enjoy your time off.
